

exceeded contributions in all but one year. The Fund's request, however, points out that the deficit in contributions has been more than offset by investment income, and that the Fund "has not yet faced a year when benefit payments exceeded the combined contributions and investment income."

6. The Fund's unfunded vested benefits in 1992, the year prior to Kane's withdrawal, was \$12 million, while in 1993, the figure rose to \$18 million, an increase of 43 percent. In contrast, in 1994, the unfunded vested benefits fell to \$5.8 million. The request asserts that the decline in 1994 "occurred as a result of changes in the PBGC interest rates." In 1980, the Fund's unfunded vested benefits was approximately \$51 million.

### SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-38704; File No. SR-CHX-97-11]

#### Self-Regulatory Organizations; Notice of Filing of and Order Granting Temporary Accelerated Approval to a Proposed Rule Change by the Chicago Stock Exchange, Incorporated Relating to Trading Variations

May 30, 1997.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> notice is hereby given that on May 29, 1997, the Chicago Stock Exchange, Incorporated ("CHX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons and to grant accelerated approval on a temporary basis to the proposed rule change.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to modify Article XX, Rule 22 of the CHX's Rules, relating to trading variations.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item III below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

Article XX, Rule 22 of the Exchange's Rules gives the Exchange's Committee on Floor Procedure the authority to fix minimum variations for bids and offers in specific securities or classes of securities. Pursuant to this authority,

the Exchange proposes to change its minimum variation to  $\frac{1}{16}$  of \$1.00 per share for securities traded both on the Exchange and the Nasdaq National Market that are selling at or greater than \$10.00 and to  $\frac{1}{32}$  of \$1.00 per share for such securities that are selling below \$10.00.

The proposed rule change will become effective upon the Commission's approval and implementation of File No. SR-NASD-97-27.<sup>2</sup> The proposed rule change will only be effective until such time as the Commission approves File No. SR-CHX-97-13, a proposed rule change regarding general changes to the Exchange's Rules on trading variations.

###### 2. Statutory Basis

The Exchange believes the proposed rule change is consistent with Section 6(b)(5) of the Act<sup>3</sup> in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

##### B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes the proposed rule change will not impose any burden on competition.

##### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received written comments.

#### III. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing.
